

# DENTAL INFORMATICS USER GROUP

- Presenter**            **Mr. Brett Lindstrom, WDA**
- Topic**                **The Advantages of a Paperless Office**
- When**                **Wednesday January 14, 2009 at 6:30 PM**
- Where**               **Marquette University Dental School - Room 194**

You are invited to attend the first meeting of the Dental Informatics User Group on Wednesday January 14 at 6:30 PM. All dental professionals are welcome (dentists, assistants, office staff, finance staff, etc.). There is no charge for the meeting. The meetings are organized by Marquette University Dental School.

There are two goals for these meetings:

- Provide a forum for dental professionals to learn about information technology topics and issues related to dentistry and operating a dental clinic
- Provide a forum for dental professionals to raise technology questions and network with other dental professionals

Future meetings are planned for the second Wednesday evening of the month.

February 11, 2009 6:30 PM

March 11, 2009 6:30 PM

April 8, 2009 6:30 PM

Contact Thomas Wirtz, Director - Dental Informatics, MU School of Dentistry at 414-288-6208, [thomas.wirtz@marquette.edu](mailto:thomas.wirtz@marquette.edu) for more information.
