7 Hours Lecture CE!

Dennis P. Tarnow, DDS

Sponsored by BIOHORIZON IMPLANTS

Endodontics: The Root to Crown Solution

7 Hours Participation CE!!

Karl Woodmansey, DDS

Sponsored by DENTSPLY-SIRONA

**Friday & Saturday
September 21 & 22, 2018
Bozeman, Montana**

**Immediate Extraction site Preservation/
Interdisciplinary Approach to complex
cases- Lecture Course**

Course Objective Highlights. (See MTAGD.org):

- Identify what type of healing takes place against the implant in immediate socket placement.
- Know the proper crown contour for immediate provisionals.
- Identify what are the potential short and long term risks involved with immediate placement of implants?
- Should implants be placed immediately or in a delayed protocol?
- Should multiple implants be placed in the aesthetic zone?
- Complex treatment planning: Which teeth to save or extract.

Dennis P. Tarnow, DDS

Dennis P. Tarnow is currently Clinical Professor of Periodontology and Director of Implant Education at Columbia School of Dental Medicine. He is the former Professor and Chairman of the Department of Periodontology and Implant Dentistry at New York University College of Dentistry. Dr. Tarnow has a certificate in Periodontics and Prosthodontics and is a Diplomat of the American Board of Periodontology. He is a recipient of the Master Clinician Award from the American Academy of Periodontology, Teacher of the Year Award from New York University and Distinguished Lecturer Award from the American College of Prosthodontists in 2015.

**Endodontic Solutions from diagnosis
to restoration-Participation Course**

Course Objective Highlights. (See MTAGD.org):

- Endodontic Diagnosis and treatment planning
- Creating a proper access cavity
- Choosing Interappointment medicaments and temporization
- choosing which file technology to impart appropriate shape to the canal
- Know pros and cons of sealers and obturation techniques
- Choosing an appropriate coronal restoration for an endodontically treated tooth

Karl Woodmansey, DDS

Karl Woodmansey has been an active contributor to the dental profession, both locally and nationally. He has achieved "Fellowship" in the Academy of General Dentistry, the Academy of Dentistry International, the American College of Dentists, the International College of Dentists, and the American College Health Association. He is also a board-certified "Diplomate" of the American Board of Endodontics. His research interests are broad, with emphases in clinical applications of technology. Dr. Woodmansey earned his D.D.S. from Baylor College of Dentistry in 1989. As a general dentist, he was employed as the Director of Dental Services for the Montana State University Student Health Service from 1991 to 2006. After 17 years of general dental practice, he returned to Baylor to complete a Certificate in Endodontics and in 2011, he accepted a full-time faculty appointment at Baylor College of Dentistry. Dr. Woodmansey is currently the Program Director for Graduate Endodontics at Saint Louis University.
