

Course Objective & Goals

- “If you have already taken prosthetic and/or surgical implant courses and would like hands-on experience with live surgical implant placement and tips for treatment planning and case presentation, this is the course for you. You will be involved with treatment planning and surgical placement of over 20 implants in live patients.”
- We will be helping the dentists to treatment plan their own patients from their own practices.
- Participating dentists will watch and be involved with over 20 live implant surgeries.

Education

Live Implant Surgery Hands-On Training Localized Programs

This program will fulfill a doctor's desire to learn implant dentistry with practical, clinical information and techniques. Emphasis is placed on anatomic considerations, treatment planning and prosthetic techniques.

Testimonials

Dr. Rick Pereira, Kitchener, ON

This was a terrific hands-on implant course. I have taken numerous courses and most implant courses do not have a hands-on component with actual patients. This course even allows dentists to bring in patients from their own practice to treat. The course was thorough and a great builder of confidence for any dentist who wants to place implants. I would highly recommend this course to other dentists.

Dr. Kelly Farber, Aurora, ON

This course provided ample hands-on experience with well-qualified instructors who guided us every step of the way! Thank you! I highly recommend it to dentists who have any interest in placing implants.

Dr. Michael Wong, Scarborough, ON

Excellent implant system. The course covers a lot of practical details in a lively and easy to understand way. The hands-on portion gives me invaluable experience.

Dr. Anil Shetty, Kitchener, ON

Excellent course with plenty of hands-on experience on patients! Enjoyed it. Great instructors!

Hiossen Implant Canada Inc. is a joint sponsor with Hiossen Inc (#318822). Approved PACE Program Provider FAGD/MAGD credit. Approval does not imply acceptance by a state or provincial board of dentistry or AGD endorsement 12/01/2012 to 11/30/2016
