Dr. Carla Cohn, DMD

Dr. Cohn is a general dentist, devoted solely to the practice of dentistry for children. She maintains private practice at Kids Sleep Dentistry Winnipeg at Western Surgery Centre in Winnipeg, Canada. She has recently founded a unique continuing dental education company, Lit Smile Academy. Dr. Cohn has published several articles, and hundreds of webinars and live courses. She enjoys teaching all aspects of children's dentistry for the general practitioner and has had the pleasure of doing so both nationally and internationally. She teaches in the clinical undergraduate pediatric program at her alma mater University of Manitoba Gerald Niznick College of Dentistry. Dr. Cohn is proud to be an active member of several dental organizations and societies and has served as president of Manitoba Dental Association. She has been invited as a fellow to Pierre Fauchard Academy and International College of Dentists and has been recognized as Dentistry Today's Leader in Continuing Education multiple years in a row as well as Top 100 Docs.

Keep The Kids IN Your Practice

Lecture And Hands On

As a general practitioner, you should be able to care for most of the kids in your practice, without having to refer them out to the pediatric dentist across town.

Taking care of your kids should be fun and stress free. Learn how with the most up to date methods and techniques for intra-coronal restorations, primary dentition full coverage, pulpotomies and more.

Step by step instructions will be provided to help you become a superstar with the kids and parents in your practice. As Benjamin Franklin said "Tell me and I forget, teach me and I may remember, involve me and I learn" In this course, you will be involved.

You've heard it before - treat your kids well and your practice will soar.

Course Objectives

Learn efficient reliable paediatric methods and techniques.

Effectively treat anterior and posterior primary dentition decay.

Successfully diagnose and treat pulpally involved teeth with new materials.
