The value of comprehensive dentistry in your everyday practice

- Ideal for the dentist that is interested in understanding more about Comprehensive Dentistry and learning about the mouth-body connection
- Learn how to provide various comprehensive approaches based on each patient's specific needs
- Understand the symbiotic relationship between oral and systematic health
- Learn how to treat beyond your patient's mouth
- Gain a stronger understanding and improve your skills in the areas of: crown & bridge, occlusion, temporomandibular dysfunction, dental sleep medicine and integrative dentistry
- 6 Hours of CE Credits
- Altima's Alliance of Dental Excellence Program is a deeper dive into comprehensive dentistry
