

Learn and Live Whistler, BC Summer 2017

Implant Prosthodontics

Reinvigorate your practice of dentistry! Join Dr. Matt Illes in Whistler BC for three days of implant prosthodontics. Known for his

passionate approach to dental education, Dr. Illes endeavours to provide his students with the encouragement, motivation and support necessary to facilitate their professional growth and love for dentistry.

Travel: Visitors will be able to enjoy breathtaking mountain views in one of Canada's most majestic drives during the short trip along the Sea-to-Sky Corridor from Vancouver to Whistler.

Local Events: On July 27-29, 2017, Whistler will be hosting an internationally recognized health and wellness festival.

Reserve Today!

Thurs-Sat, July 27-29, 2017

Credits: 21 CE hours

Cost: \$2500*

*\$2200 if registered before December 31, 2016

**BC AGD Members
Pay \$1950**

DAY 1 will be focused on achieving excellence in the restoration of the single unit implant and will concentrate on the challenging anterior zone.

DAY 2 will be devoted to both cement and screw retained, splinted, fixed implant prostheses.

DAY 3 will be dedicated to the removeable, implant maxillary overdenture.

Program Suitable for Beginners to Advanced Levels
