by Dr. Robert Maher

Dr. Robert Maher has published several articles and lectures on esthetic dentistry, digital photography, peer review and high performance driving. Dr. Maher is a continuing education provider.

Recent lecture venues include AACD Vancouver, Denmat Las Vegas and San Diego and ongoing clinical courses with Keller Lab of St Louis. He is the innovator and founder of a unique clinical mentoring program providing one on one clinical mentoring in the doctor clients' own office.

Most recently, Dr Maher was on the faculty the UCLA Esthetic Dental Residency program founded by Dr Ed McLaren, the only program of its kind. In 1998 he founded the fee for service El Paseo Center for Cosmetic Dentistry in Palm Desert, California.

\$3,000 Value yours FREE!!

Smile Restoration Dental Lab would like to offer this Nikon D700 SLR Camera worth \$3,000 to the participating doctor if he/she agrees to the following:

- The dentist is to provide at least \$2000 of any lab services per month for 6 months, which is 12,000 at the end of 6 months. SRDL will reimburse \$3,000 at end of 6 months.

This offer allows dentists to continue their normal lab routine while adding SRDL's outstanding creations.

Nikon D700 Digital Dental Photography KIT Can be yours FREE!!

Kit includes :

- Nikon D700
- Nikon 85mm Micro Lens
- Nikon Twin flash kit
- SD Card 2G
- Batteries
- Hard cover case

PHOTOGRAPHY CURRICULUM

8 AM to NOON

A lecture that encompasses all phases of photography; emphasizing the “New Patient Experience” and includes the New Patient Exam and Consult. I will show you how we do this in our practice. It is very successful and results in a very high case acceptance.

You will improve your diagnostic and presentation skills significantly. Also, you learn how to bring existing patients into the photo database.

1 PM to 4 or 5 PM

- Staff “Hands on Training”; teach all appropriate staff members to take clinical photos. Assistants, Hygienist and Dr and any front staff that are interested.
- Front staff to learn how to help with occlusal photos and putting photos into a computer and how to create a slide show. Front office staff is critical to case presentation and case acceptance.
- Teach staff to put photos into a computer and show patients a slide show.
- Organize and network your office computer system so the photos can be accessed anywhere in the office.

Location

15850 - 24th Avenue,
Surrey, BC, V3S 0G1

Seminar fee is \$500 for One Doctor and One CDA to participate in a full day (7 CE credits) of photography lessons.
