

Best Practices in Laser Dentistry

Practical Indications for Use with the Most Versatile Devices

Dr. German Ramirez

DDS, Pedo Cert, MDSc, MSc, PhD, FRCDC

A 1983 graduate from the Javeriana University in Colombia, Dr. Ramirez also holds a diploma in Orthodontics, a Master of Dental Sciences and a Doctoral degree (PhD) in Oral Biology. He also holds a Master degree in Craniofacial Pain and Sleep disorders from Tufts University in Boston, USA. Beside his extensive experience in treating children, Dr. Ramirez has been an academic in USA and Canada. He became a fellow of the Royal College of Dentists of Canada in 2012, becoming a certified Pediatric Dentist. He is also a fellow of the Royal College of Dental Surgeons of Ontario and a member of the Ontario Dental Association and the American Academy of Pediatric Dentistry.

Dr. Ramirez is the author "*Early Treatment of Malocclusions: Prevention and Interception in Primary Dentition*", and the co-author of "*Guiding Craniofacial Growth and Development with The Myobrace System*". He is also a member of the editorial board of the Journal of Dentistry and Oral Health and the Journal of Orthodontic Science and Practice. He investigates Craniofacial Growth and Development, the Patho-Physiology of Functional Disorders in the Cranio-Cervico-Mandibular system and how the craniofacial structures are modified by functional appliances and has extensive experience using surgical lasers for multiple dental procedures.

COURSE OBJECTIVES

A basic overview & understanding of the fundamentals, physics, clinical indications, practical considerations & safety with a focus on innovative laser procedures, including;

- Virtually Bloodless Surgeries/Frenectomies
- Infant Tongue Tie Release
- Airway/Snoring Treatments
- Laser Assisted Periodontal Therapy
- Implantology/Periimplantitis

Beyond the benefits of learning laser technology & technique, this informative seminar will justify the investment in dental lasers. Enhance patient care, perform more procedures on existing patients, attract new ones and profitably grow your practice!

Grow Practice Revenue \$25K/month!
