Enhanced Patient Care • Profitable Practice Growth

Dr. Scott Parker - Utah

Since 1998, Dr. Parker has educated thousands of clinicians across the US and internationally. Recognized by his peers for his conservative yet progressive approach, as well as his ability to connect on a personal level, Dr. Parker's realistic manner of teaching has made him a highly regarded lecturing clinician and consultant. In addition to lecturing internationally, he has written or is listed on over 30 patents or patents-pending and has published articles in a variety of respected dental journals. He is an accredited member of the American Society for Dental Aesthetics and the American Academy of Cosmetic Dentistry, a member of the Education Committee of the Academy of Laser Dentistry and has a comprehensive understanding of dental lasers, aesthetics, implants, and functional reconstruction. He is a recognized subject matter expert in the laser treatment of airway disorders including non-invasive treatments for snoring.
