Driven To Excellence

A DENTAL
PRACTICE
DESIGN
EXPERIENCE

Driven to Excellence is a course hosted by Pelton & Crane that has attracted thousands of dental professionals to our locations in Charlotte, NC and Portland, OR. Pelton & Crane is excited to be hosting our DTE Mobile program with Henry Schein Dental in Toronto, ON.

The course is taught by the foremost expert in office design in North America, Dr. Mark Tholen DDS, MBA. Dr. Tholen is the author of the best-selling dental office design book, "A Guide to Designing the Elegant Dental or Medical Office... The Largest Marketing Tool of Your Career." Dr. Tholen is also the former CEO of one of the country's leading dental office design firms and brings the experience of thousands of dental office designs.

At DTE you will gain the knowledge and confidence to build the practice of your dreams. Participate in interactive floor-planning workshops and utilize exclusive tools offered by Pelton & Crane to bring your dream office within reach!
