2 Day Mastertrack

TORONTO	JUNE 7 - 8	2019	FRIDAY TO SUNDAY
CALGARY	OCTOBER 18 - 19	2019	FRIDAY TO SUNDAY

DR. SERGIO KUTTLER

Dr. Sergio Kuttler received his Dental Degree in 1978, from the Universidad Tecnologica De Mexico, in Mexico City, Mexico. He was in practice of General and Pediatric Dentistry for a number of years and in 1984 Dr. Kuttler received his Endodontic Certificate from the University of Southern California. He has been involved in academics since his graduation from USC, and practicing exclusively Endodontics.

His major areas of scientific research interest include the performance of nickel-titanium endodontic instruments, three dimensional obturation of the root canal space; root canal irrigation and restoring endodontically treated teeth. Dr. Kuttler is one of the inventors of Wave One, Wave One Gold and Wave One Gold Glider. Dr. Kuttler is a world-renowned endodontist and internationally recognized lecturer, he has presented over 550 national and worldwide courses and lectures in over 47 countries throughout 5 continents during the past 40 years.

Terms & Conditions

The Ontario Academy of General Dentistry reserves the right to cancel any mastertrack course at any time. In such cases a full refund will be given to each participant. Participants cancelling more than 90 days prior to the course will be refunded in full. Participants cancelling less than 90 days but more than 30 days prior to the course are entitled to a refund less a \$300.00 Administration fee. Participants who cancel less than 30 days prior to the course are not entitled to a refund. Costs incurred for travel and hotel accommodations remain the responsibility of each participant.

board of dentistry or AGD endorsement. 01/01/2010 - 12/31/2021

The Golden Era of Root Canal Instrumentation & Scientifically Proven 3D Obturation in Endodontic Therapy

REGISTRATION: 8:00AM - 8:30AM | DAY 1: 8:30AM - 4:00PM

In 2011 reciprocating instrumentation was reintroduced to Endodontics and due to its simplicity of use, the lack of procedural errors during cleaning and shaping it has gained tremendous confidence and acceptance among dental schools, General dentists as well as Endodontists worldwide. With new metallurgy and technology to improve the performance of NiTi instruments, "The Golden Era of Root Canal Instrumentation" has just started and will continue changing the way we perform root canal therapy for years to come.

Touch the Future Today: APP Based Technology with Gold Metallurgy

REGISTRATION: 8:00AM - 8:30AM | DAY 2: 8:30AM - 12:00PM

This workshop is designed for the dental clinician who desires to stay at the forefront of the latest scientific advancements, endodontic techniques and schools of thought. The hands-on session will include NiTi metallurgy, irrigation technologies and 3D obturation that are cutting edge and changing endodontic therapy.

Please bring accessed teeth.

DAY 1 - LECTURE ONLY: \$295 AGD MEMBERS, \$395 NON-MEMBERS
DAY 1 & 2 - LECTURE & HANDS-ON: \$495 AGD MEMBERS, \$595 NON-MEMBERS

6 RCDSO CATEGORY 2 CE CREDITS FOR DAY 1 ONLY,
9 RCDSO CATEGORY 2 CE CREDITS FOR BOTH DAYS, SUBJECT CODE 070
18 PARTICIPATION CREDITS WITH THE COMPLETION OF COURSE ASSIGNMENT
