

TORONTO

JUNE 3 - 4, 2016

FRIDAY TO SATURDAY

**CLIFFORD J. RUDDLE, DDS, FACD, FICD**

Internationally recognized as a leading expert in all aspects of clinical endodontics, Dr. Ruddle is acclaimed for providing superb endodontic education through his teachings, clinical articles, training manuals and multimedia products. He is the founder and director of Advanced Endodontics®, an international educational source in Santa Barbara, California. Dr. Ruddle created the world's first private microendodontic simulation training center in 1989 and has trained several thousand dentists microscope-assisted endodontic techniques. He is well-known for his ability to empower colleagues and motivate clinicians towards their full potential. Additionally, Dr. Ruddle maintains a private practice limited to endodontics in Santa Barbara.

Dr. Ruddle received his dental degree from University of the Pacific, School of Dentistry, San Francisco, California, in 1974. In 1976, he completed his postgraduate work in endodontics at Harvard School of Dental Medicine, Boston, Massachusetts.

Cliff and his wife, Phyllis, live in Santa Barbara, California, the home of Advanced Endodontics. They have two daughters, Lisette and Lori, also living in Santa Barbara with their families. Cliff and Phyllis are very proud of their five grandchildren and excited about the great joy they provide. On a side note, Cliff, Phyllis, Lisette and Lori comprise the "Ruddle Team" and through Advanced Endodontics, they strive to create educational materials and programs that produce greater clinical success and professional fulfillment.

#### Terms & Conditions

The Ontario Academy of General Dentistry reserves the right to cancel any mastertrack course at any time. In such cases a full refund will be given to each participant. Participants cancelling more than 90 days prior to the course will be refunded in full. Participants cancelling less than 90 days but more than 30 days prior to the course are entitled to a refund less a \$300.00 Administration fee. Participants who cancel less than 30 days prior to the course are not entitled to a refund. Costs incurred for travel and hotel accommodations remain the responsibility of each participant.

Ontario Academy of General Dentistry (Approval #219289)

MAGD Credit. Approval does not imply acceptance by a state or provincial  
board of dentistry or AGD endorsement. 01/01/2010 - 12/31/2017

## CREATING ENDODONTIC EXCELLENCE

JUNE 3: 8:30AM - 4:00PM | JUNE 4: 8:30AM - 1:00PM

Predictably successful endodontics is dependent on shaping canals, 3D cleaning, and filling root canal systems. Evidence-driven techniques will be presented to demonstrate each procedural step that comprises start-to-finish endodontics. Specifically, this lecture will focus on those factors that influence success, including endodontic anatomy, pulpal breakdown, access cavities, glide path management, working length, shaping strategies, 3D cleaning, and filling root canal systems. Dr. Ruddle will teach the most recent advancements and proven techniques that serve to guide each endodontic case toward a predictably successful conclusion.

#### COURSE OBJECTIVES

At conclusion, participants should be able to:

- Appreciate the role endodontic anatomy plays in treatment success.
- Understand how a mechanical strategy influences negotiating and shaping canals.
- Identify the most proven methods to 3D clean and fill systems.

Lakeshore Convention Centre | 806 Southdown Rd | Mississauga, ON

June 3 Lecture Only: \$395 AGD members, \$595 Non-Members  
June 3&4 Lecture & Hands-on: \$695 AGD Members, \$995 Non-Members

6 RCDSO Category 2 CE credits for day 1 only,  
9 RCDSO Category 2 CE credits for both days, Subject code 070  
18 participation credits with the completion of course assignment
