## 2 Formats, 1 System

Progressive Orthodontics is committed to giving you every opportunity to learn.

**TRADITIONAL LIVE SERIES** : 12 seminars  
Our traditional live series has flourished since 1984. With carefully trained and tested instructors, we have produced thousands of satisfied graduates worldwide. Instructors use Powerpoint presentations, hands-on exercises, and other visual tools to help you learn. You have in-person access to instructors and students to answer your questions immediately.

**If you have a group of 8 doctors or more we can bring a private IAT class to your office/facility.**

**Call us for more information.**

Use a comprehensive orthodontic system to transform your care and add \$120,000 CAD in income

# Support for Life

## SERVICES YOU CAN ACCESS AS A STUDENT OR GRADUATE:

### SMILESTREAM DIAGNOSTIC SOFTWARE **FREE**

Plan and predict your cases with this robust orthodontic diagnostic software.

### ONLINE IAT STUDY ACCESS **FREE**

Study the course's cases, tutorials, quizzes and lesson information anytime, anywhere. You can even access additional cases and resources here for extra study.

### QUICK INSTRUCTOR CASE CHECK **FREE**

Curious if you have a good case for your skill level? Approach your instructor during a class break for a quick case check.

### CLINICAL VIDEO LIBRARY **FREE**

Watch short clinical videos to help visualize principles.

### STREAMING SEMINAR VIDEOS **FREE**

Access seminars online with our on-demand videos. This updated resource allows you to view the slides and lecturer in high quality, and is helpful if you need to make up a class.

### CASE CONSULTING AND MENTORING

Outside of class, get additional assistance on your cases from any instructor or colleague. Instructors can refine your treatment and give detailed advice online via SmileStream or live after seminars. Consultation fees may apply.

### ACCESS SUPPLY, IT, AND MARKETING EXPERTS **FREE**

We understand that there can be a lot to figure out when adding a new specialty. We can guide you through the details to efficiently reach your goals. You may also access our free tools like our patient site: [www.individualortho.com](http://www.individualortho.com).

### COLLEAGUE COLLABORATION **FREE**

Participate in our SmileStream online community to ask questions or discuss cases and concepts.

## YOU'RE NOT JUST A STUDENT, YOU'RE FAMILY

When you become a student at Progressive Orthodontics, you join a family of over 7,000 doctors worldwide. You become part of the largest network of general dentists that offer quality orthodontic care. After your graduation, we'll still be there for you throughout your career. For your continued success and growth you will have the same access to instructors, staff and content. You can even retake classes for free in any of our formats. Attend any of the 12 seminars in your choice of location or request online access to cases and videos for no charge.

*Dr. Jeff Y. Li studied Medical Science at the University of Western Ontario, and then received his DMD degree with Clinical Honours at the University of Pennsylvania. He then moved to Michigan to complete his Master of Science degree and a certificate in periodontics at the University of Michigan. Dr. Li is dual board-certified as a Diplomate of the American Board of Periodontology and a Fellow of the Royal College of Dentists of Canada. He founded the Greater Boston Interdisciplinary Study Club, and also ran the Perico Boston Spear Club. He has lectured at these study clubs, as well as at the Perico Mini Residency Program, and to the Boston District Dental Society. With a passion for teaching, Dr. Li continues to seek the opportunity to support fellow dentists through continuing education programs.*
